HEBRON HIGH SCHOOL

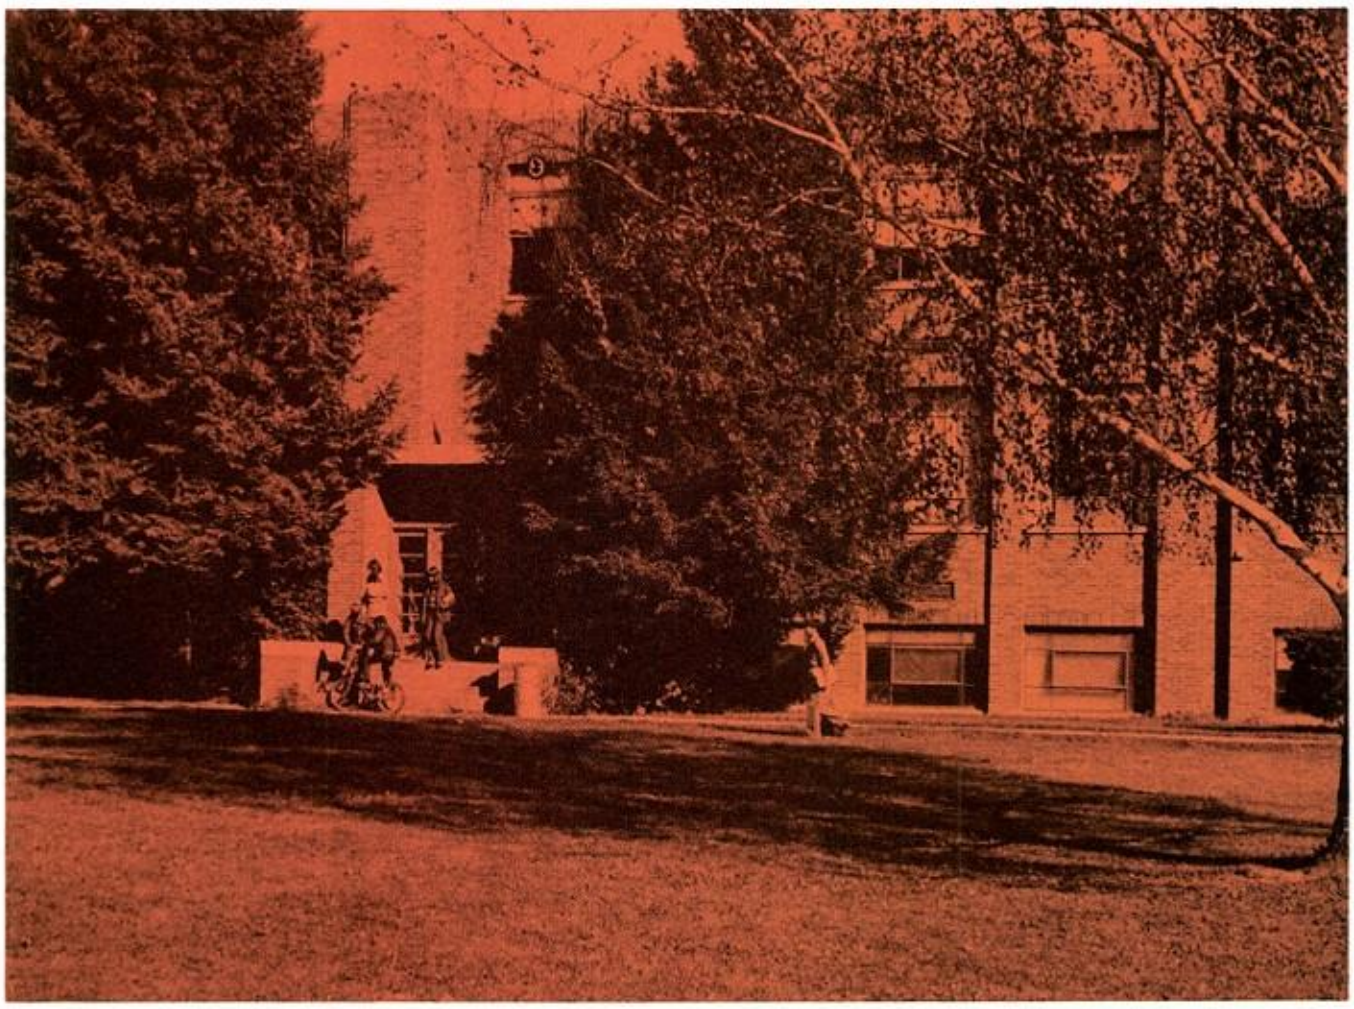
Presented by the Senior Class

Hebron, Indiana

DEDICATION

Unafraid of the brutality, slashing right and left from every direction in Hebron High, Mrs. Roberts holds her own (and holding a few others right along with her). She opened our class to a better understanding of the outside world. So our Class of 1974—the one and only—would like to dedicate our one and only book, to the one and only you—Mrs. Shirley Roberts—Thanks.

INTRODUCTION

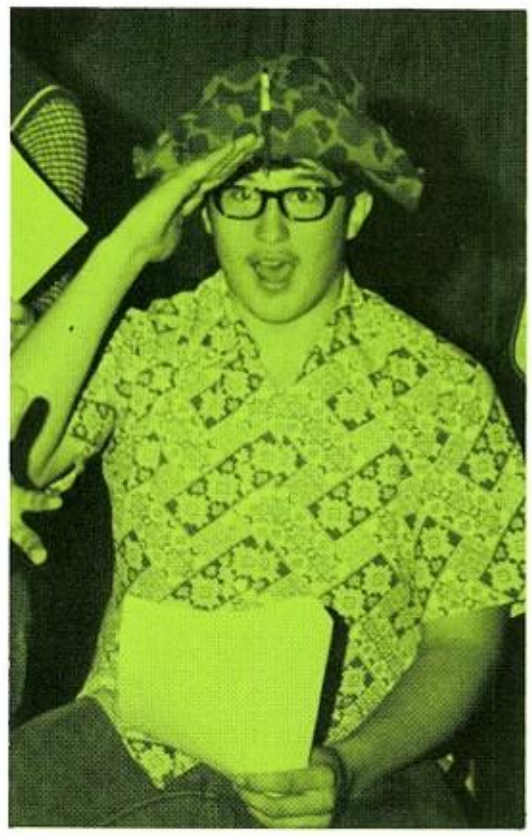


These few paragraphs are to do nothing more than to introduce you to the new things that are going on around the High School.

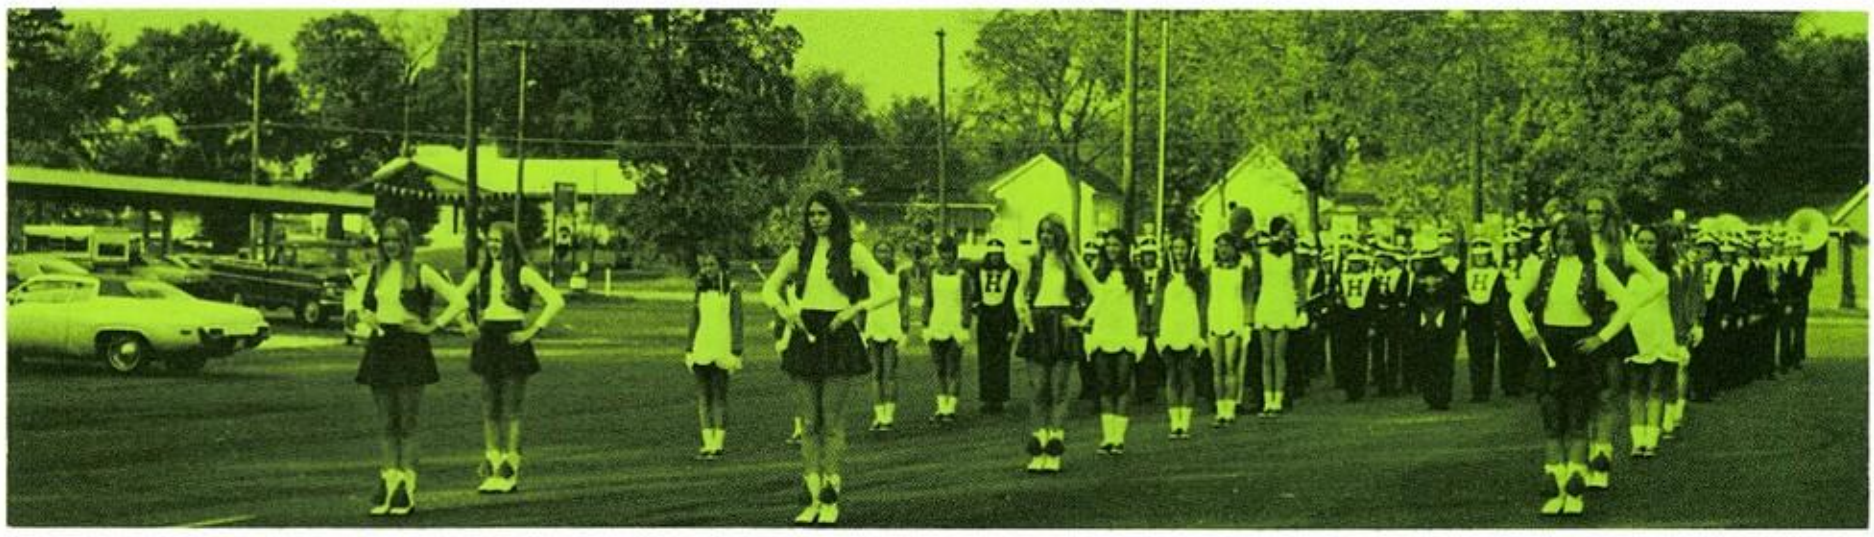
Beginning with the happenings around the school, we have been attributed with three new teachers to the Hebron staff–Mr. Bailey, who calculates us with Chemistry; Mrs. Differding, who stirs us in to the interest of Home-Ec; and Mrs. Matanich, who leads the youngsters to music.

To change the decor of two of our rooms, namely the old Study Hall and the auditorium, new desks were piled to the ceiling awaiting their day to be placed in the new rooms. And speaking of the new rooms, everyone has been looking at the new gym and waiting . . . and waiting . . . and waiting . . . To celebrate the opening of our new school, we all eagerly awaited our very first Homecoming, consisting of a dance and Senior queen.

Last, but not least, the greatest class entered their Senior year with their class mascot, Pherlin the Aardvark.

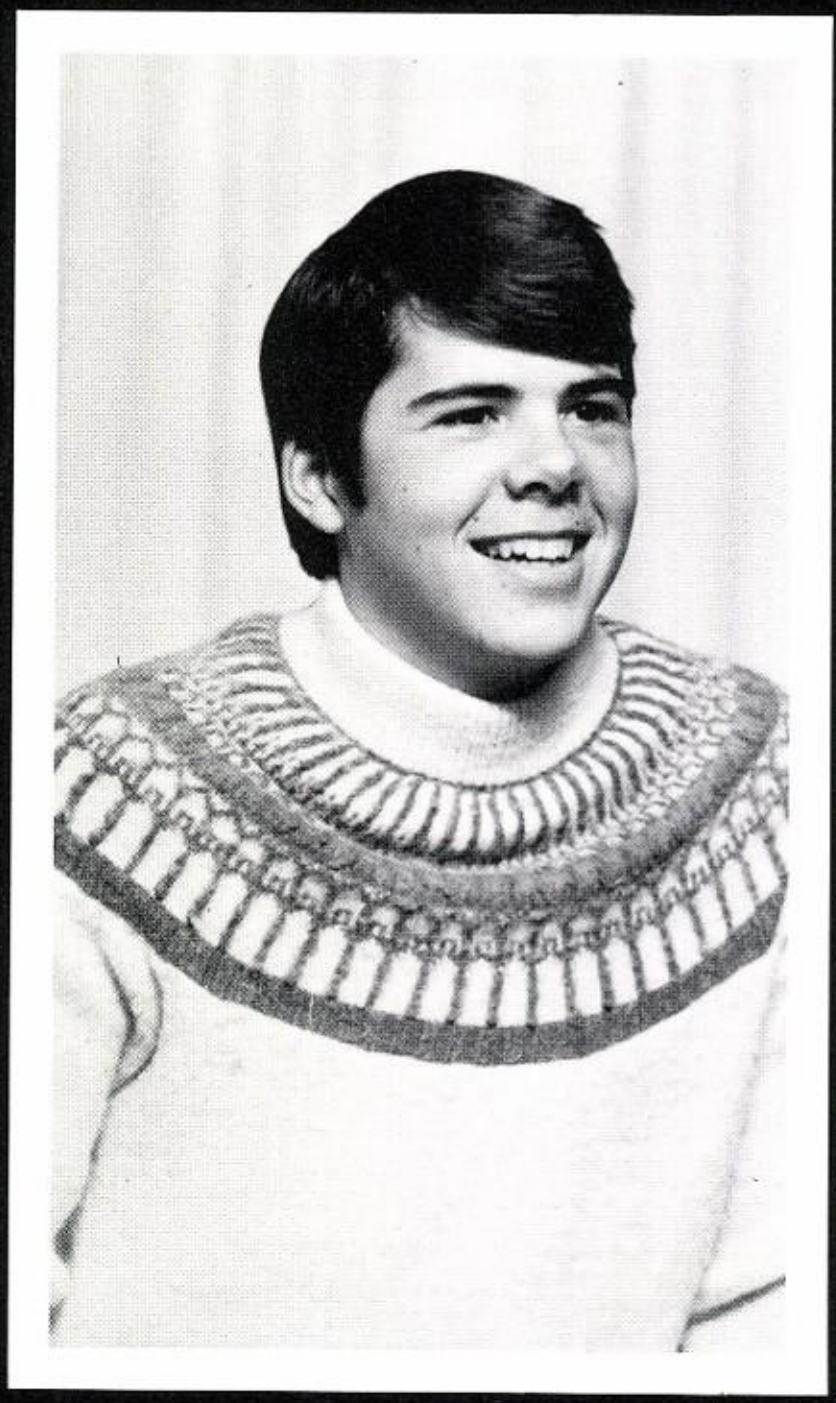


In this select group of pictures, we first see Randy Als. displaying his prize winning bubble. Keep 'em blowing, Randy! Next we see John Wineland saluting and singing to his favorite song "Bunsen Burner." At the bonfire, the cheerleaders were really swinging leg, swinging that is! But as some people say—Monkey see, Monkey do! No one wished more to have the new gym done than the old volleyball players. Right, Phyllis?! And do you believe that one day children came in and overran the school! The question to what is *WHY?*



Debbie Cramer is caught with her mouth open again, saying "AAH, what did you say?" Here come the twirlers and pom-pom girls leading the way for sweet music. Kathy Kinne demonstrates her great taste of fifties clothing. What is it? It's a bird, it's a plane, it's a frog–A FROG–No it's SUPER PHERLIN!!!!

IN MEMORIAM



Death is an ugly and sad affair when first observed and thought of. But as we grow older it's a thing that invades our very lives, because we know too, our time will come. Hebron students were very saddened when Peter passed away. And why not? He was young, energetic and full of life. So now we would like to make one last tribute to Peter Lindsay.

We need to feel more
to understand others.
We need to love more
to be loved back.
We need to cry more
to cleanse ourselves.
We need to laugh more
to enjoy ourselves.
We need to see more
other than our own fantasies.
We need to hear more
and listen to the needs of
others.
We need to give more
and take less.
We need to share more
and own less.
We need to look more
and realize that we are not so
different from one another.
We need to create a world where
everyone can peacefully live
the life they choose.

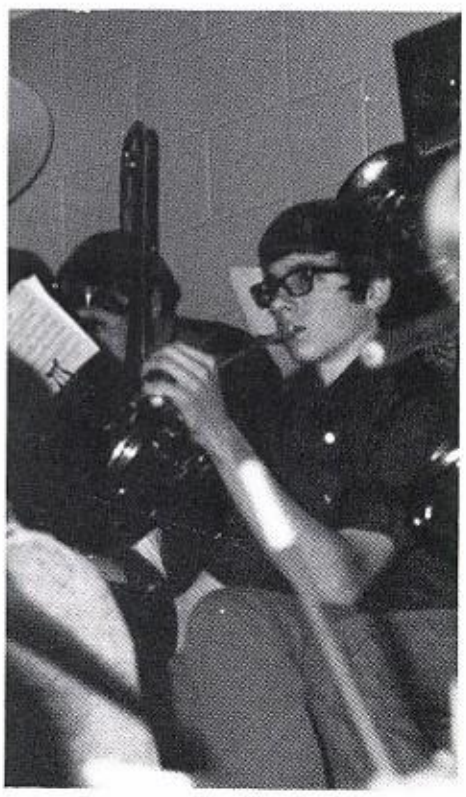
ACTIVITIES

BAND

The Band directed by Mr. Fox received a first at the Valpo Homecoming Parade with the help of the twirlers and newly added pom pom squad. The band played at the Homecoming Game v.s. River Forest with the pep band playing at all of the home games. Oranges and grapefruit were sold to help purchase new overlays. Many individuals received medals at solo and ensemble contest. The band finished up the year by giving a Spring Concert and participating in the NISBOVA Contest.



CHORUS

Chorus is one of the few graded activities. It is led by Mr. Fox. The chorus received their new robes of maroon and blue, tempting many students to join this graded activity. Led by Mr. Fox the chorus again travelled to Boone Grove for the County Music Festival held annually there. Also, they helped to bring out the voices of the student body by leading them in Jingle Bells, Deck the Halls and other Christmas Carols, during our Christmas Convo.

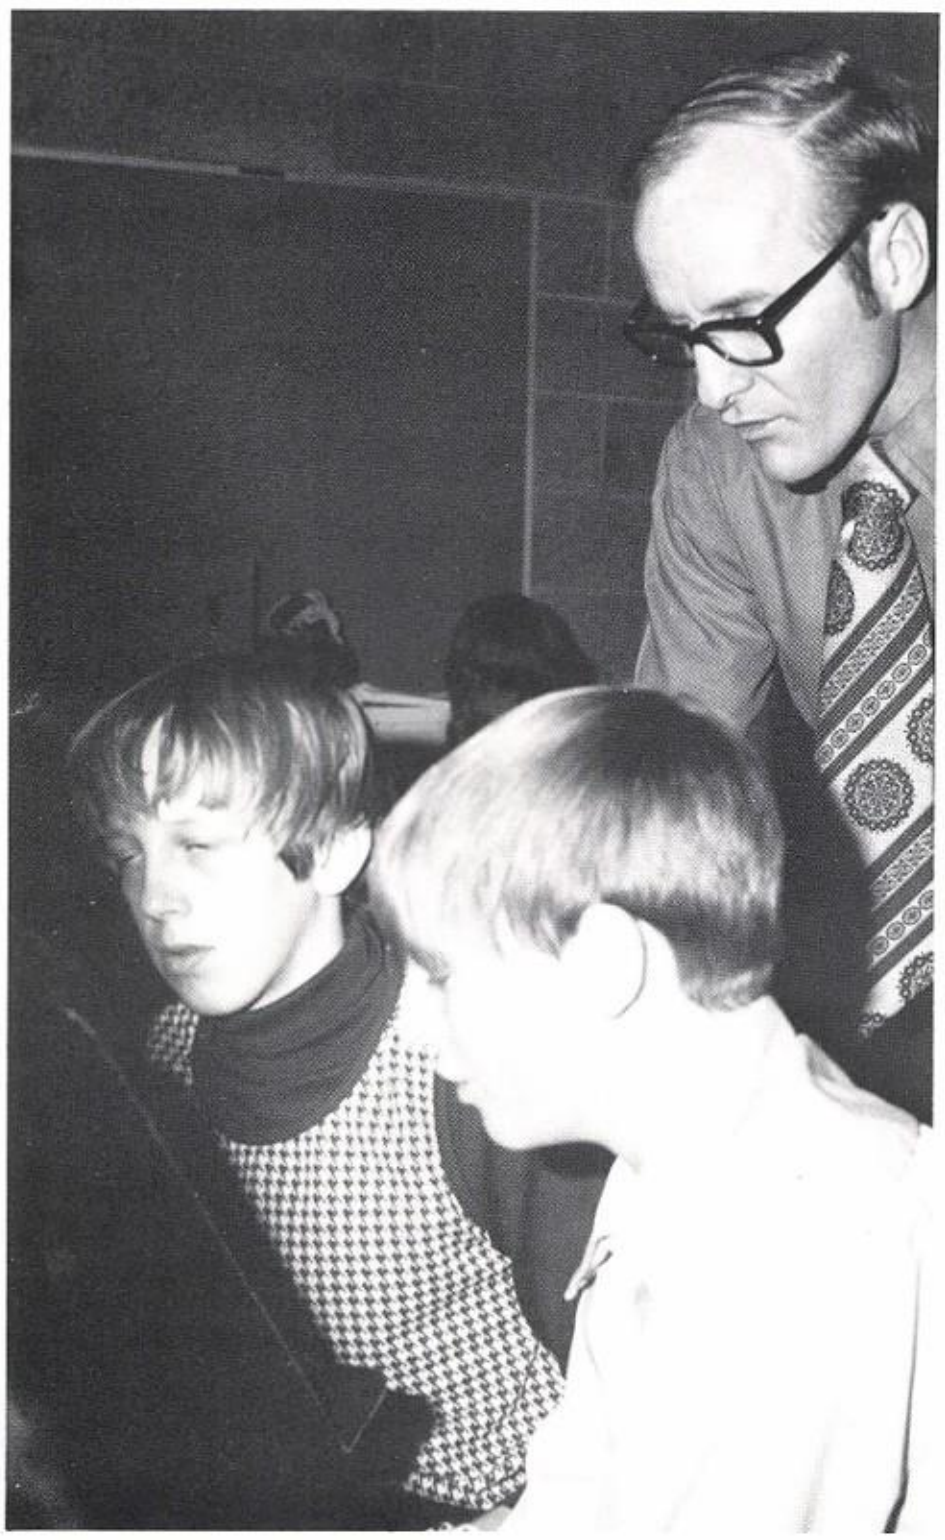
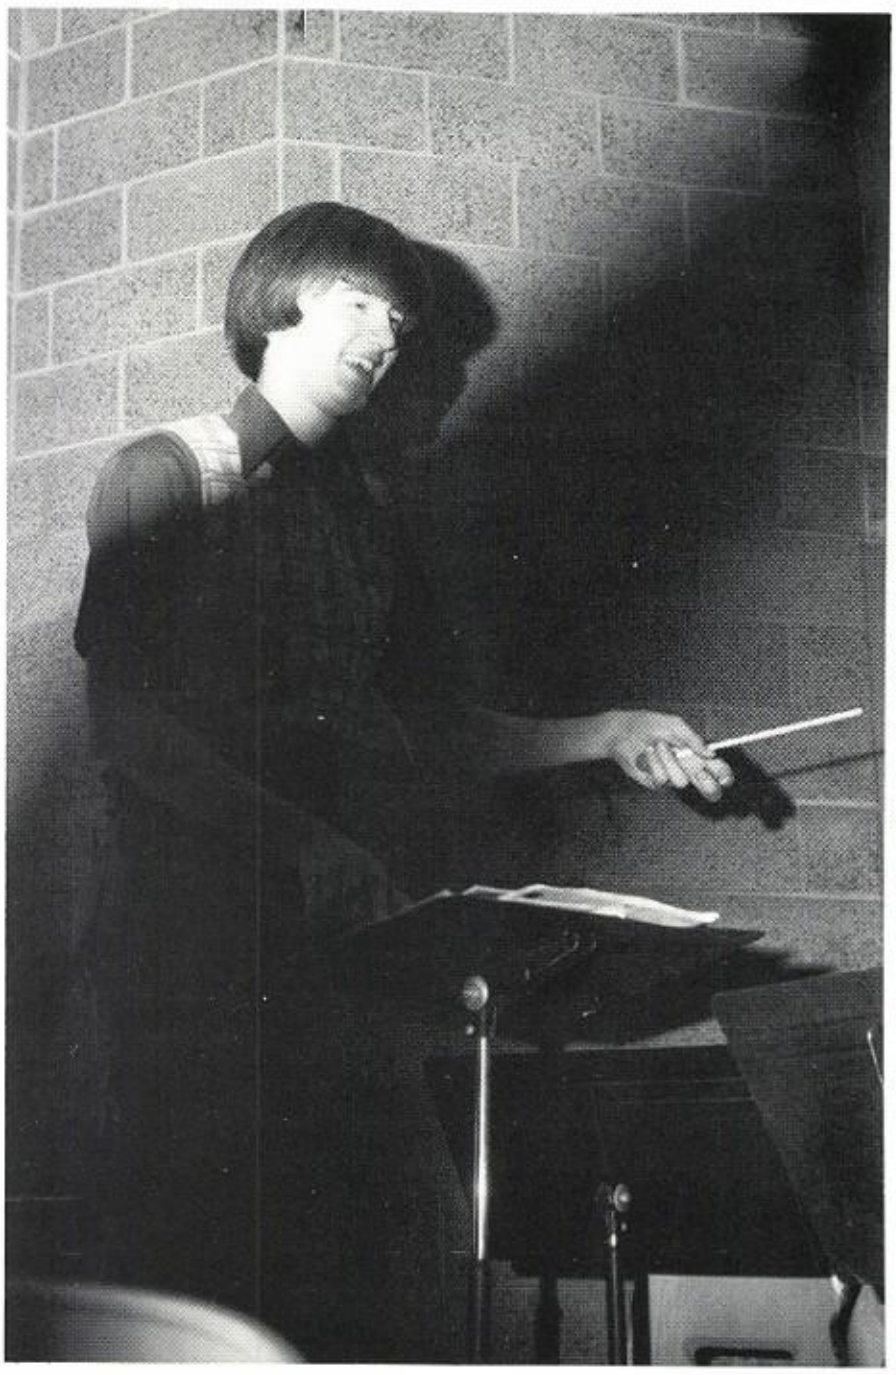
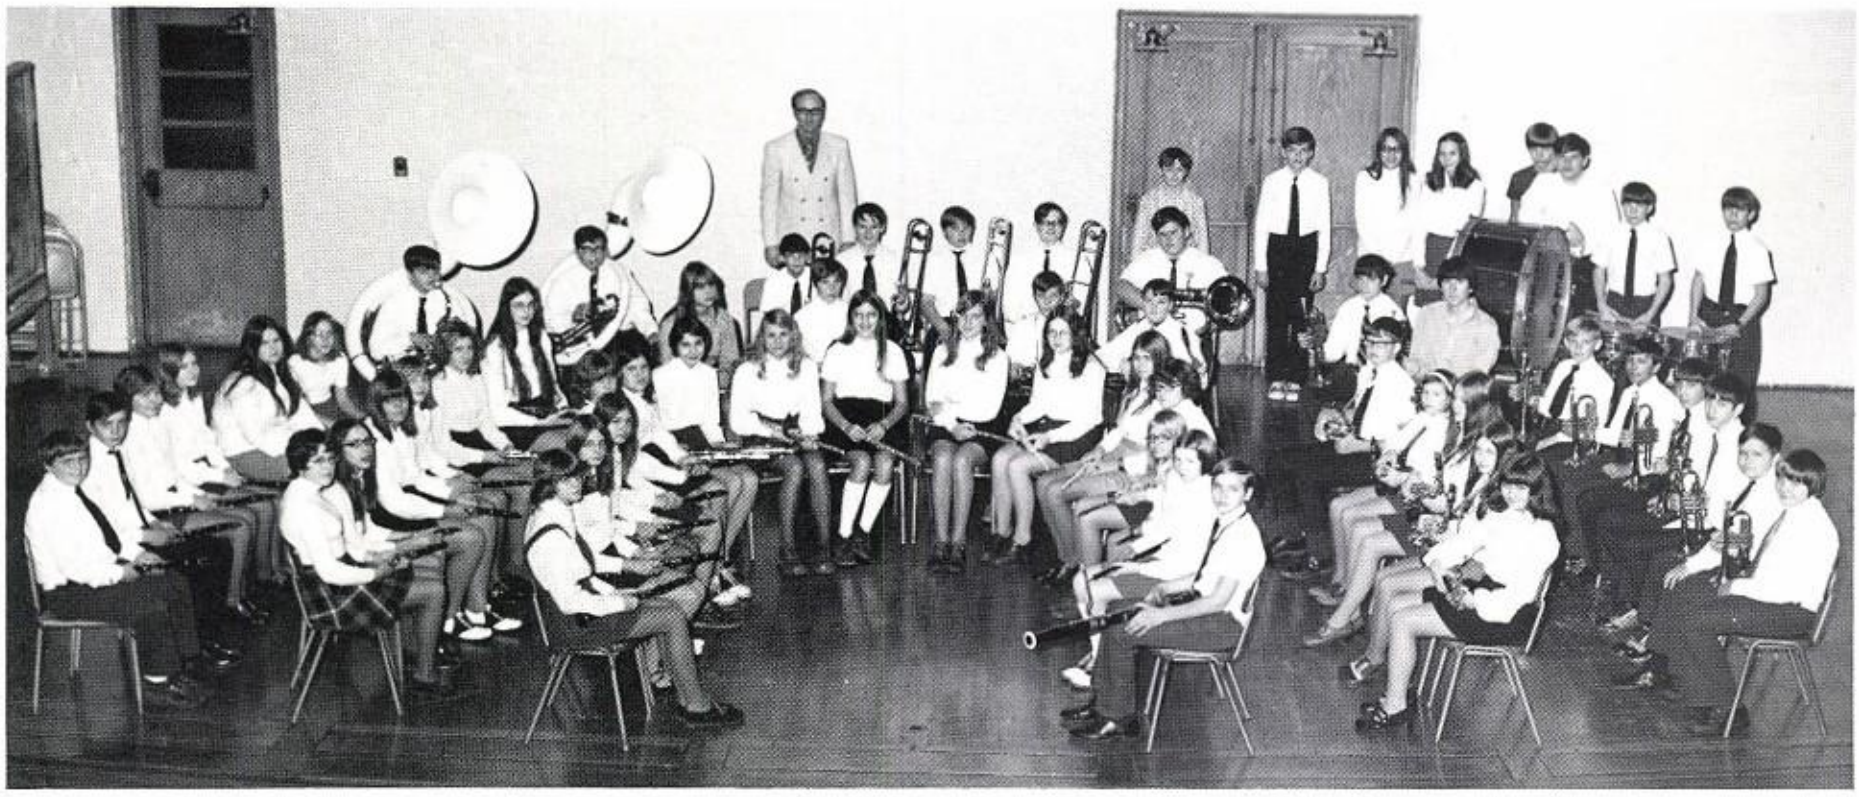
Mr. Fox sings "music to sleep by."
Floyd Hale and Charles Sternberg

Todd Cooley gives the music a new beat and shows the group a swinging time.





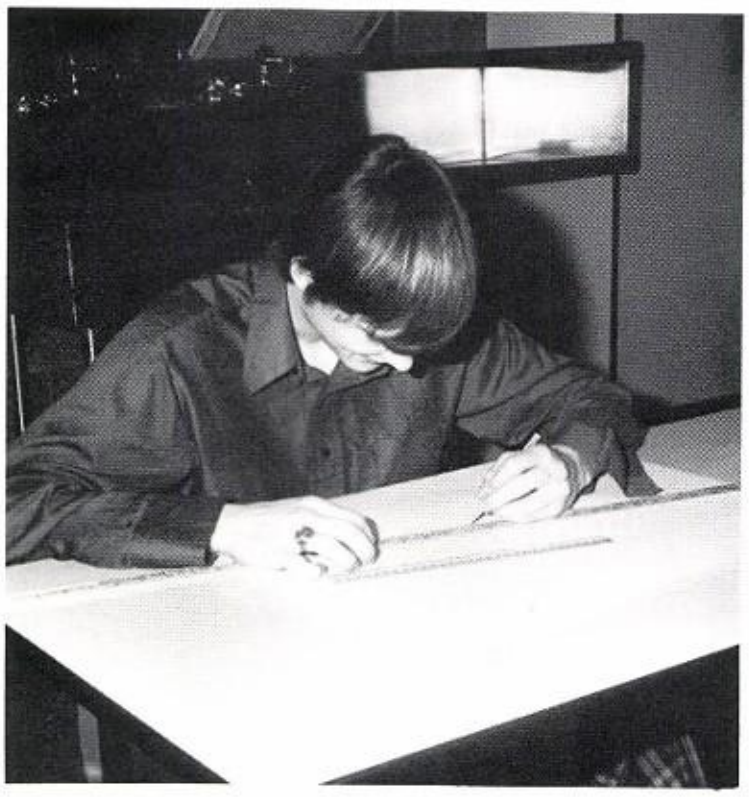
JUNIOR HIGH BAND



This year's Junior High Band was very active. They sold tumblers and raised enough money to buy three parade drums. In December they played when Santa came to town and had a caroling party. In February they played at the Hebron-Kankakee Valley Game.

PEP BAND

The Pep Band helped to boost the team during home basketball games by playing rhythmic tunes to cheer by and keep the crowd alive. They also played the Star Spangled Banner before the Varsity's home games. The group consists of volunteer members of the band class.



ART CLUB

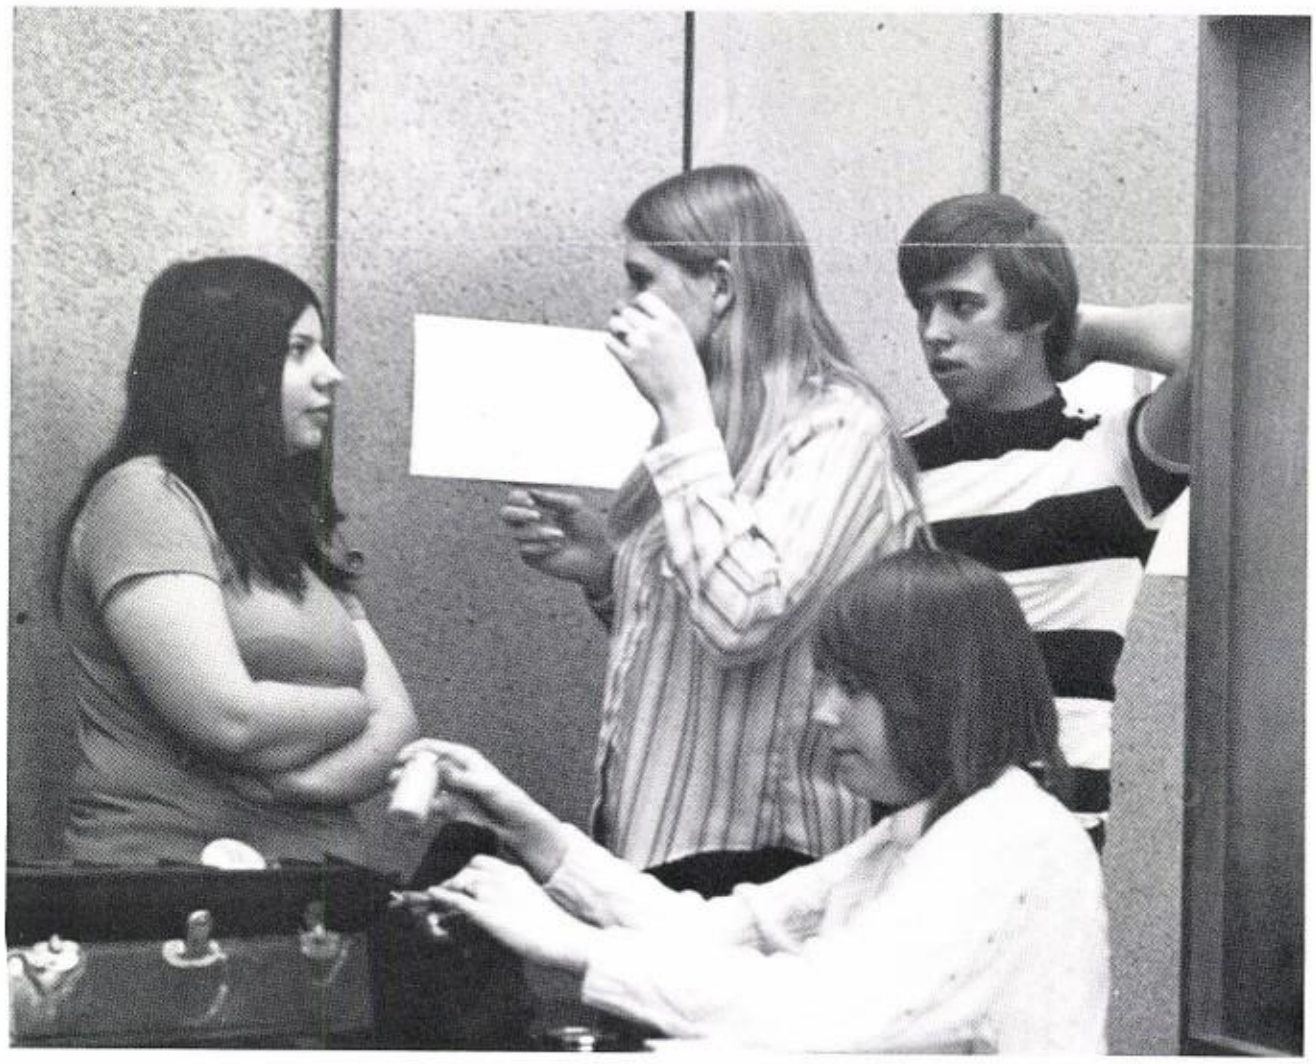
The Art Club again took a strong stand in helping the Booster Club and Cheerleaders in making props for the P.C.C. Tourney. Also they have been working all year on love lights, which they have been selling to individuals for $3.50. Also during the year they may enter their own projects into an art show. Tom Steinhilber, Lori Aylesworth are shown working on their art projects.

Yells and screams led the Hebron Booster Club into a close second place at the Porter County Tourney, losing first by two points. The theme for the block, "Keep on Truckin", was printed on the student's shirts. The game became quite close at times and the block put all their fingers and their ahs' into motion. The "Big Wheelers" rolled into action by imitating the other County School's mascots. But working for the tourney wasn't all the club and cheerleaders did. They also decorated halls and tried to revive the school's spirit, keep it, and throw it at the team before a ball game. The yell leaders also encouraged the student body during "spirit week" and produced a fine four days of the romping 50's, lick 'em day, hats off day, and red and white day.

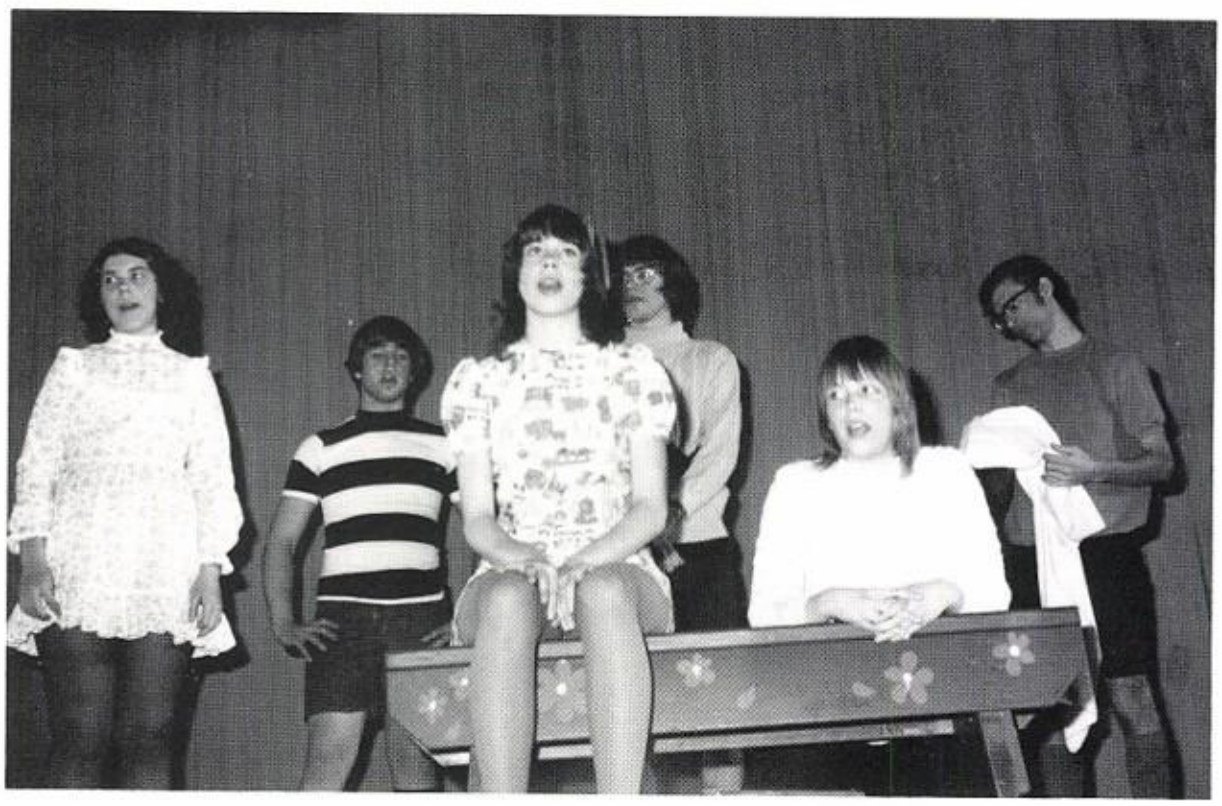
BOOSTER

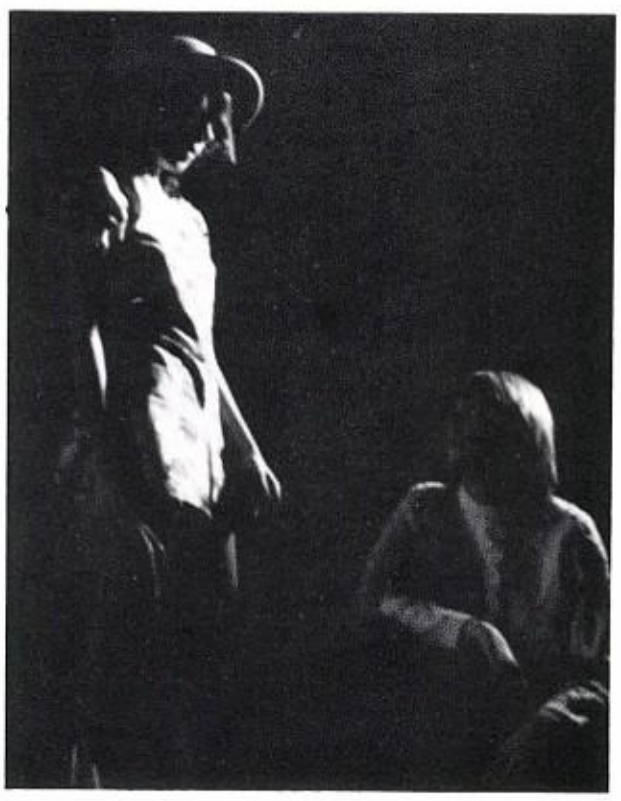
CLUB

Drama Club

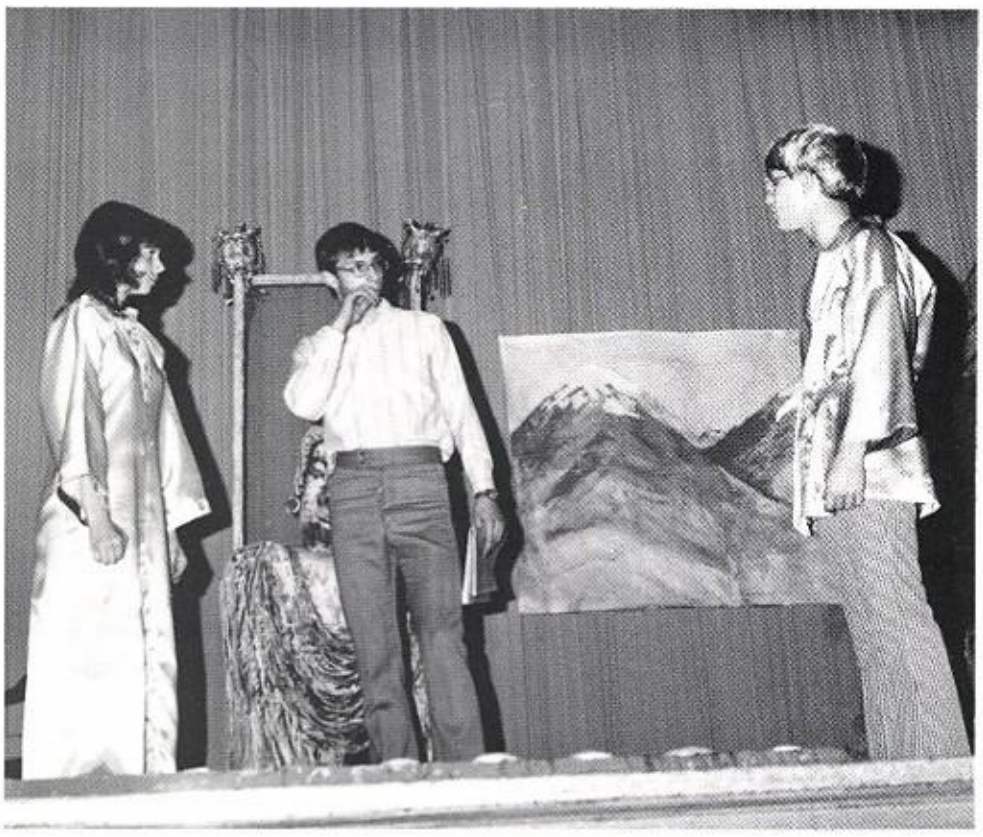


The talent of the Drama Club was shown last year by two fine plays. The musical You're a Good Man Charlie Brown was a lot of fun for the actors, but also a lot of work as shown by Cheryl Blood and Betty Hough working on Kevin Cutrell and "Snoopy" Sharon Jenks, so they looked like their parts. Songs were sung by "Lucy" Susan Stone, to Schroeder and the whole Charlie gang, (featuring Patti and Snoopy on the old bench). Bonnie Robers and Sharon Jenks hold a girl-to-dog talk to turn the lights off.





The fall play, Lost Horizon, had the audience held in suspense, even the children were in aw when Bonnie, Gregg Daunora, and Gregg Price were putting on the trial performance. Shown at the night of the play were Scott Norris, and Wendy Shipley posing by the Great Buddah. In the spring the club planned for two one act plays.



GAA

The GAA sponsored by "Ma" Peregrine led the officers and group into an active and fun year. The Seniors had a wild time initiating new members and they loved every minute of it! Jane, Cathy, Annette, and Patty eagerly ate the cupcakes baked for them and then couldn't wait for more. Robbie Gericke led the sugary, chocolatey group in a can-can in front of the High School. Both volleyball teams did a fine job this year with the varsity leading the way to the K.V. Sectional and losing to them. Janet Wilson, Debbie Stalbaum, and Marie Schuster showed what it was like to be a VB member. The basketball team, still young in its years, fought hard but couldn't get ahead. Other activities included sponsoring the Olympic games and going to the GAA Banquet in May.

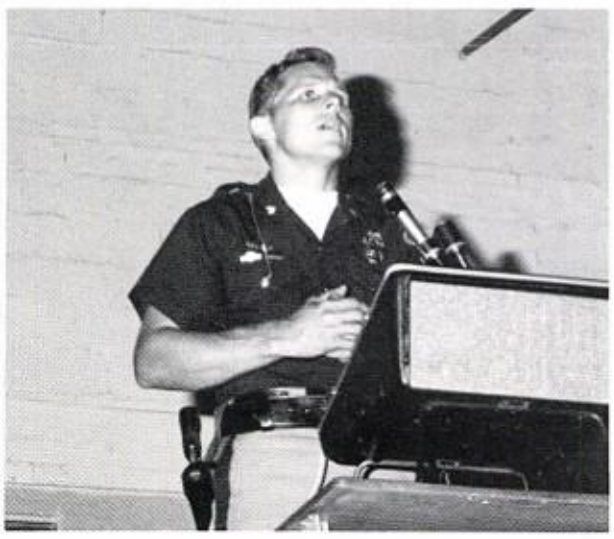
NATIONAL HONOR SOCIETY

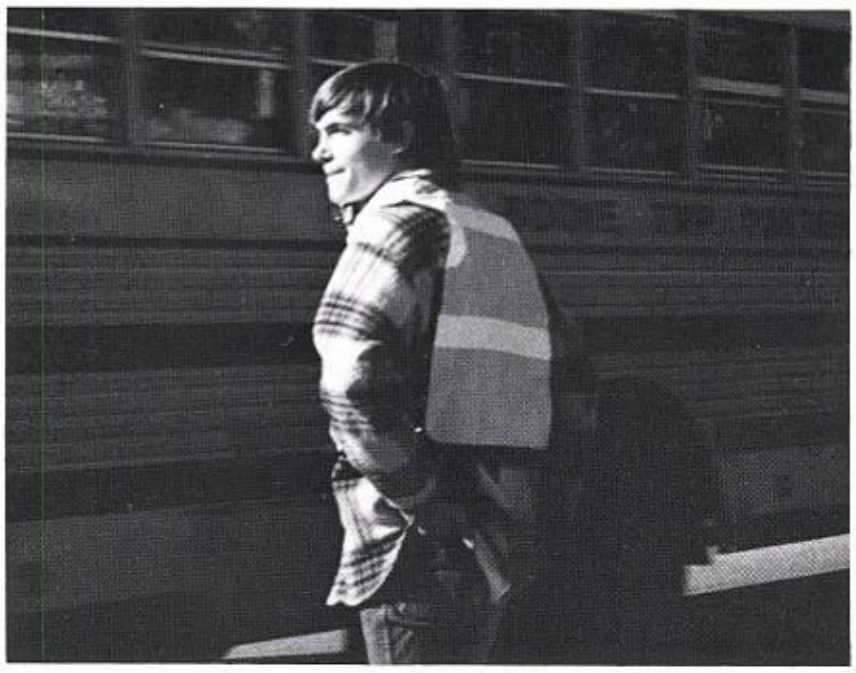
The National Honor Society is a group of hard working students that must maintain a B average throughout the year. Also they must belong to a certain number of clubs. Some of the groups activities this year included picking up leaves from Hebron citizen's yards, and sponsoring the Hebron Homecoming. Also the members have their own individual projects such as tutoring and visiting Senior Citizens. Danny Wagner is shown kissing his mother before the start of the River Forest Homecoming Game.

STUDENT COUNCIL



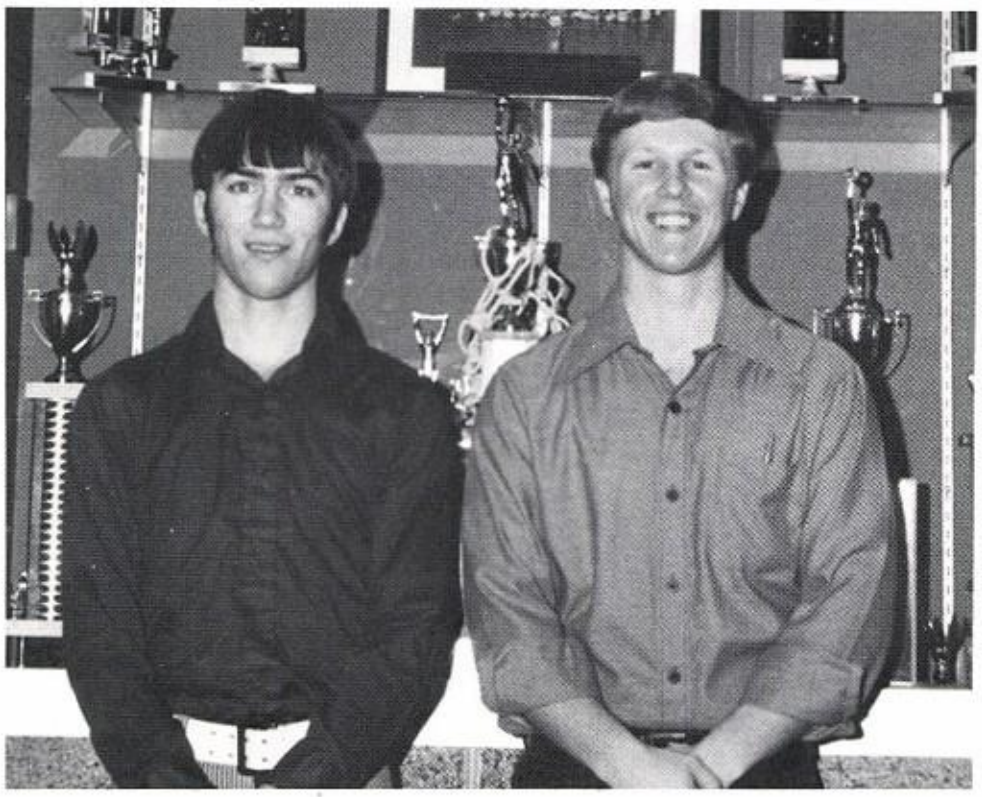
Led by President Kathy Taylor, this years Student Council was very active. They started out the year by throwing a pool party. Next they added a new look to the baseball diamond by painting and repairing the bleachers. Lending a helping hand is Val Fisher and Patty Broughton. Each year the Council also sponsors our convocations, one of these being on Narcotics.

HONORS

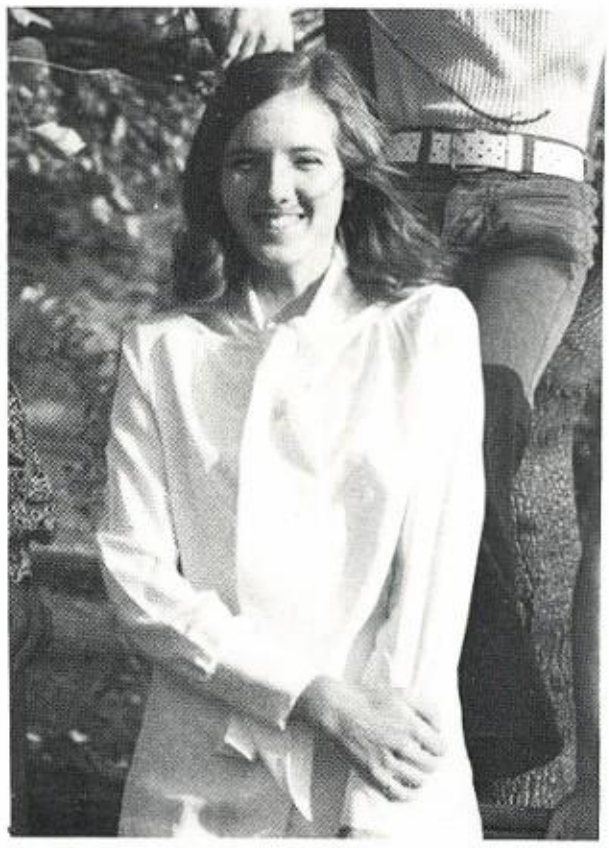


Tom Steinhilber was one of the few boys who helped the grade school children cross the street and get home safely. Susan Strong was this year's delegate for Girl's State, at Indiana University. There, Susan had a wonderful time enjoying many activities and meeting new friends. Her alternate was Kathy Schnekenburger. Susan also won the D.A.R. award, which is based on leadership, dependability, patriotism, and service. Peggy Zeiber, Butch Welch, Mark Singleton, Joe Kuhn, Kathy Rayner, Cindy Wease, and Nora Ritter helped to make Miss Corbitt's days in the library a little less hectic.

AND RECOGNITIONS



Steve Osburn was chosen to represent Hebron High School this year at Boy's State. Dan Wagner served as alternate in case anything happened to Steve. Lynn Birky, Debbie Hargis, Cindy Fickle, Gayl (Riley) Elam, Sharon Evans, Kathy Taylor, and Karen Gilson helped Mrs. Guillod and anyone else that they could in the office every school day. Out of the many Senior girls who took the test, Donna Sherman was the recipient of the Betty Crocker Homemaker award. This test ranged from everyday living questions to the hard nose facts of government.



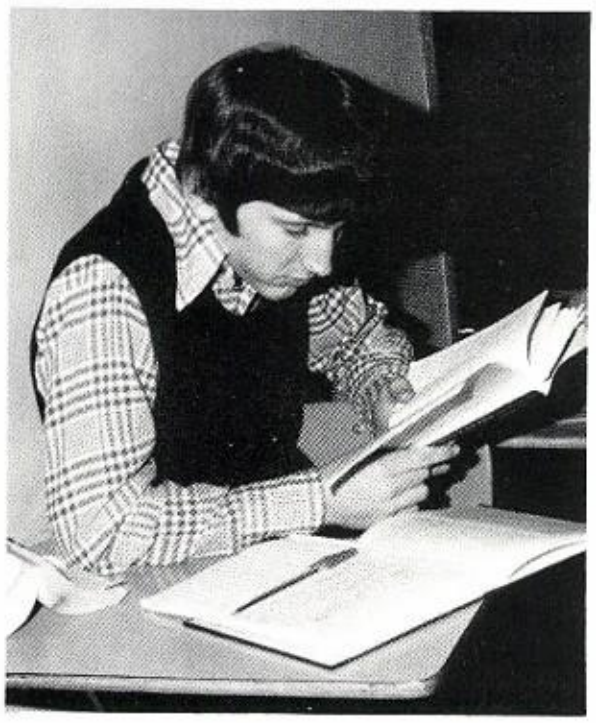
H.H.C.

The Hebron Home Economics Club was a new organization this year. Most people would remember it as being the F.H.A. This club deals with helping the community in certain ways. One thing they did was baby sit the children of parents attending the Hebron basketball games. They also baked cookies for the coke party after the River Forest game. Shown are some of the creative baking skills of a few Home Ec. members: Jamie Steffel–the bear, Stephanie Kirkpatrick–the heart, and Denise Urbas and Sharon Deal–the rabbit.

Jr. High Booster Club

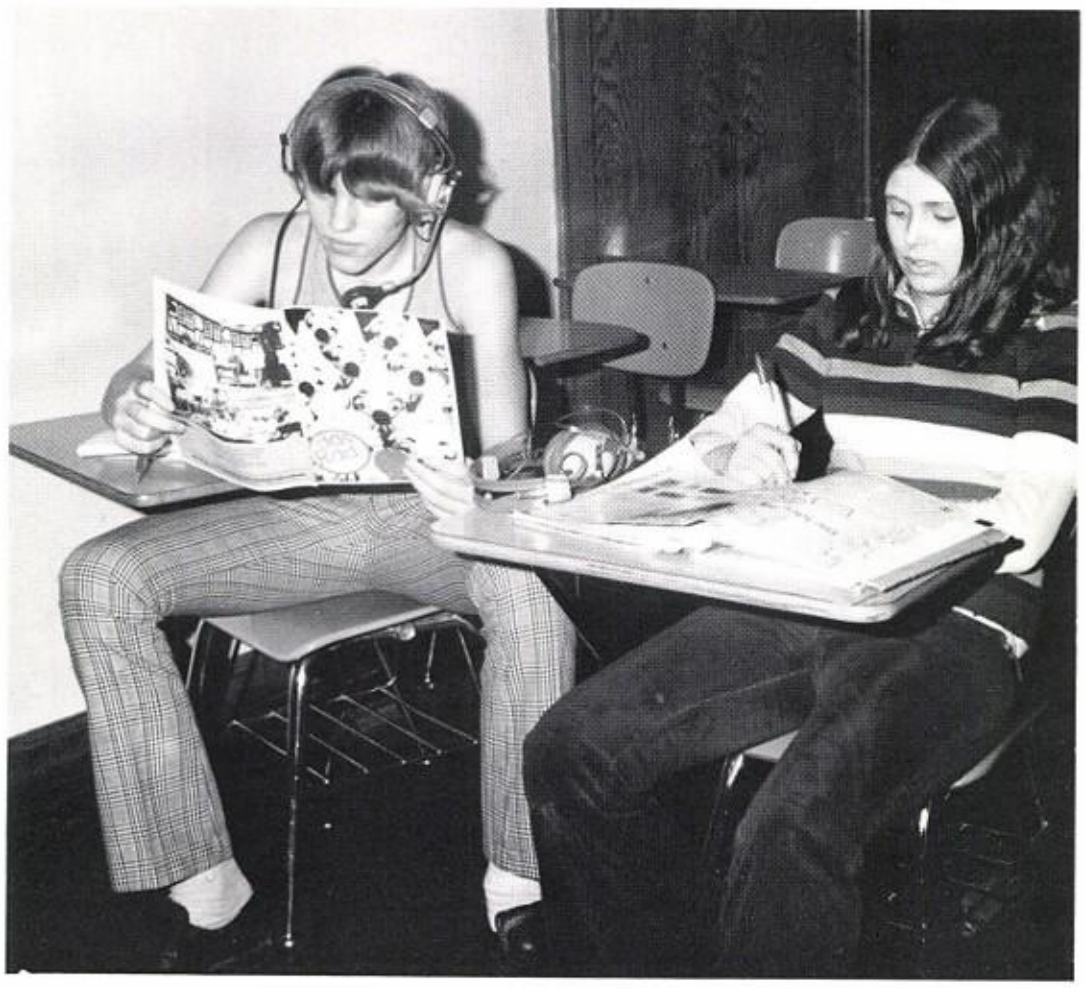
The Jr. High Booster Club, sponsored by Mrs. Harnach, had an active first year. The members collected donations for Tommy Wise at one game, besides actively backing their Jr. High teams. They also provided much noise and enthusiasm at the Porter County Tourney.

SPANISH CLUB



The X-mas party was quite a thrill for Spanish Club members this year held at Mrs. Franzman's home. They enjoyed eating Spanish Food so much that they had dinner again at a Spanish restaurant in Hammond. But eating isn't all the club did as shown by Jeff Good trying hard to write a report. The club also planned to see the plan "Man of La Mancha" in Valparaiso and have a progressive dinner.

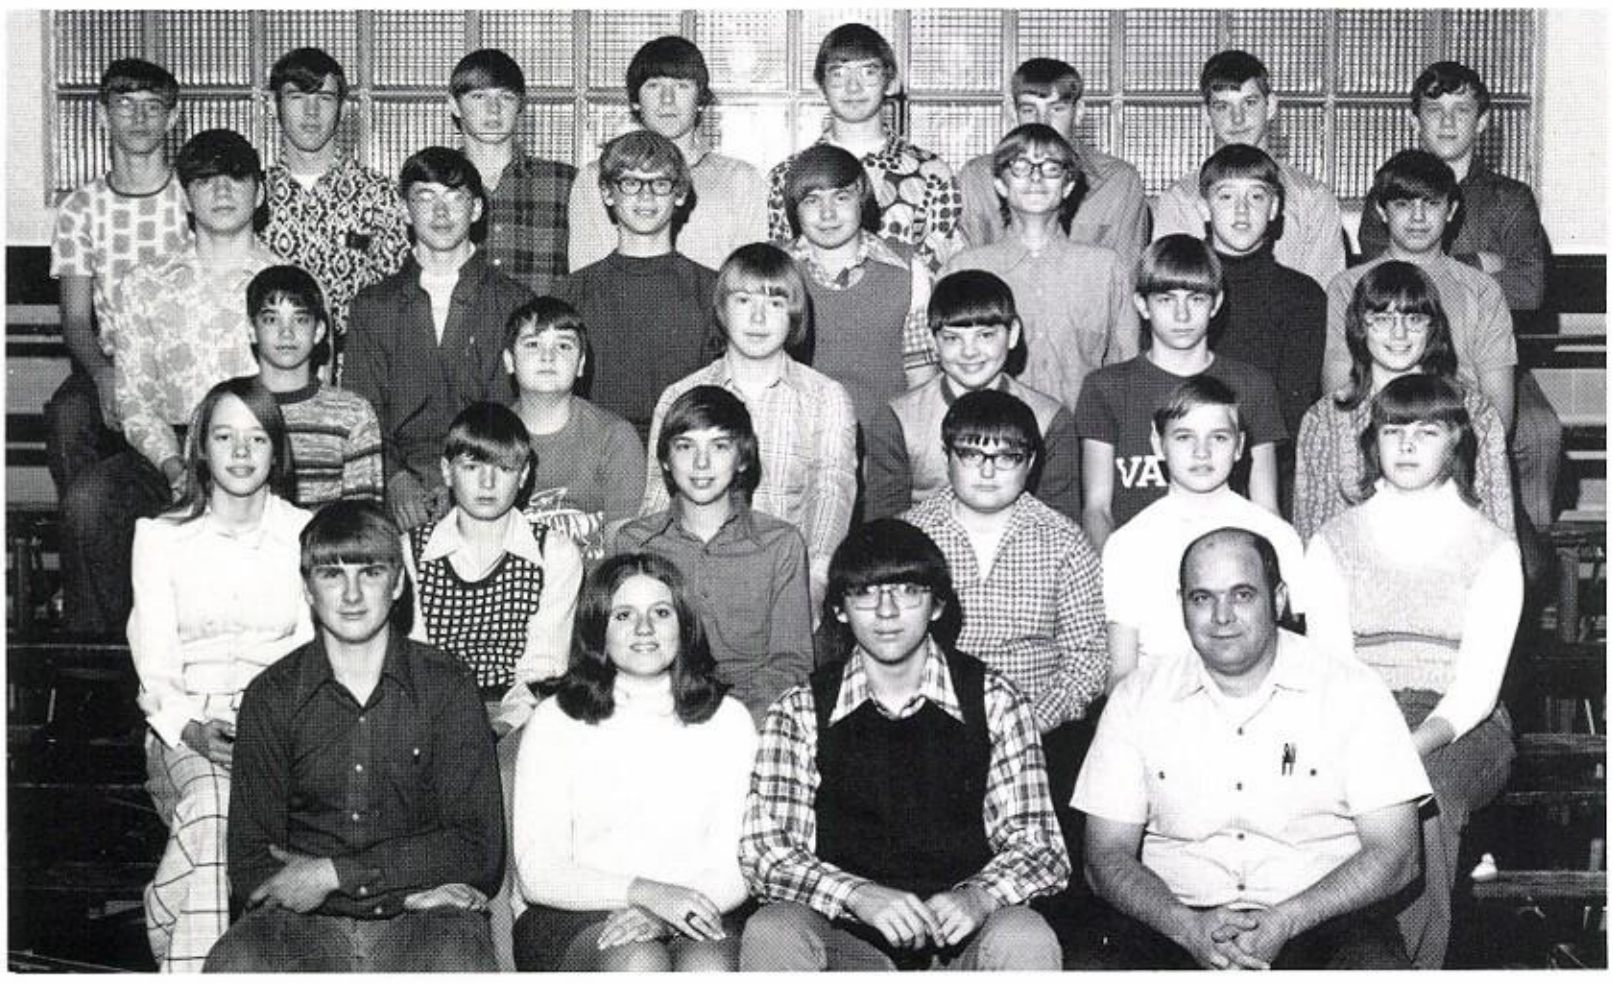
GERMAN CLUB



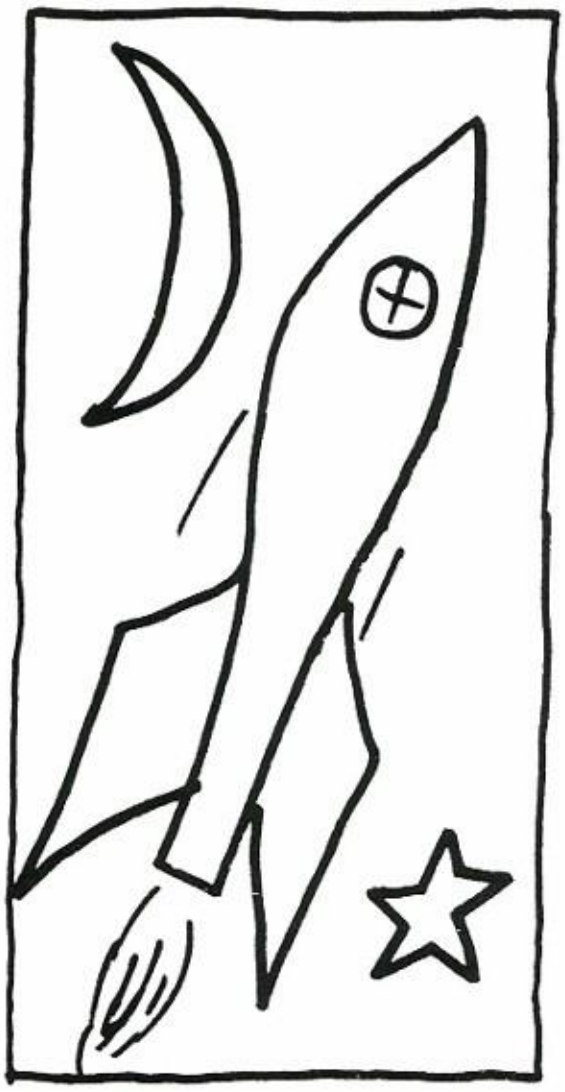
The German Club is an organization for old and new German students. This year many new members joined the clan including Curt Taylor, listening intently with his new set of ears, and Nora Ritter. Their activities of this year included going to German Town where they ate German foods and shopped in German stores. Also, later on in the year, they planned to have a German monopoly party and eat at a German restaurant.

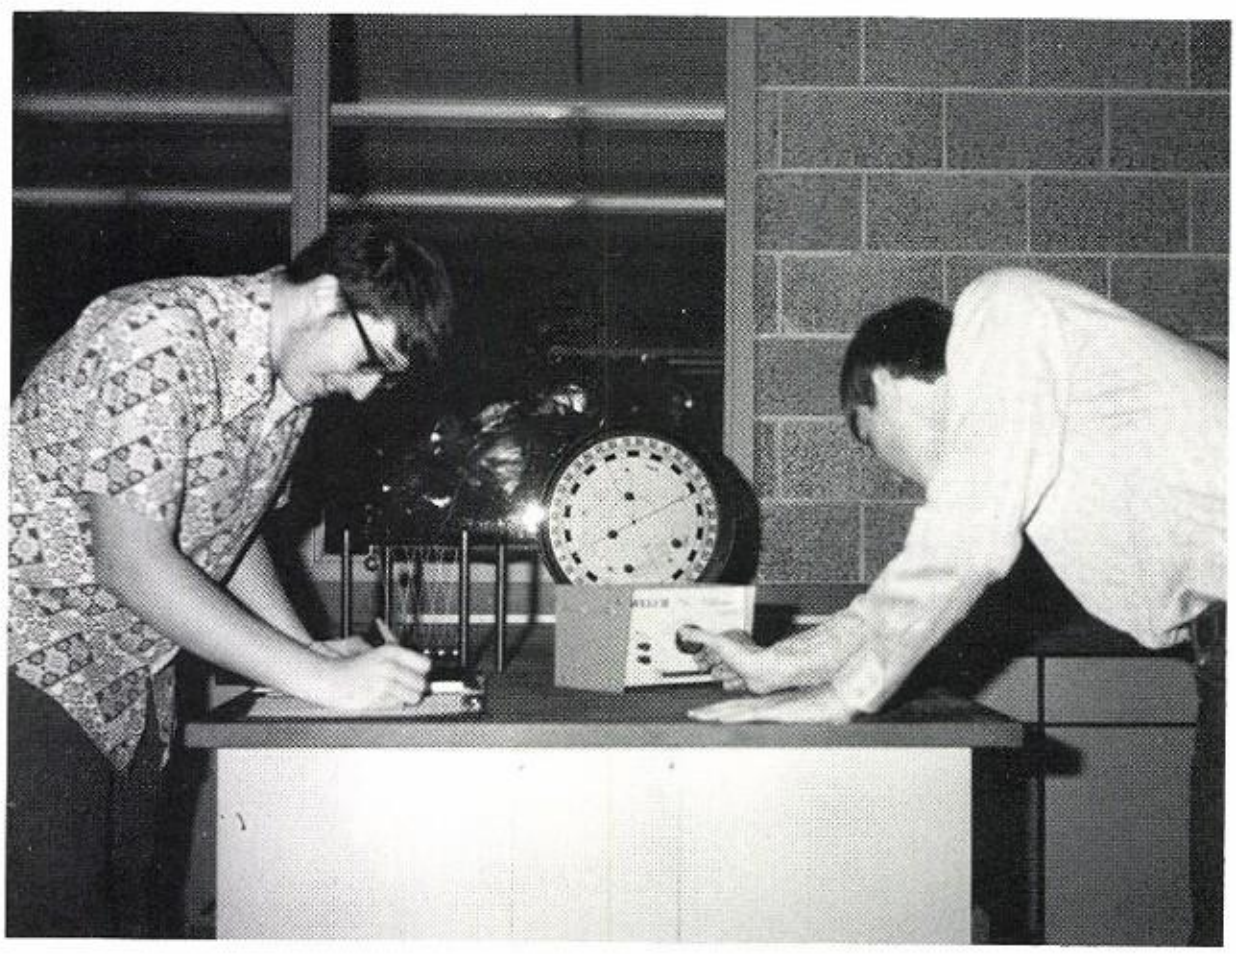
RIFLE CLUB

The Rifle Club this year got a slow start in practice shooting because of no where to fire their arms. This year the club sold concessions at Hebron home basketball games as shown by Sharon Steffel fixing popcorn bags. Also, this year they sold magazines to raise money. During the Homecoming game they took on the job of "Raising the Colors."



SCIENCE CLUB

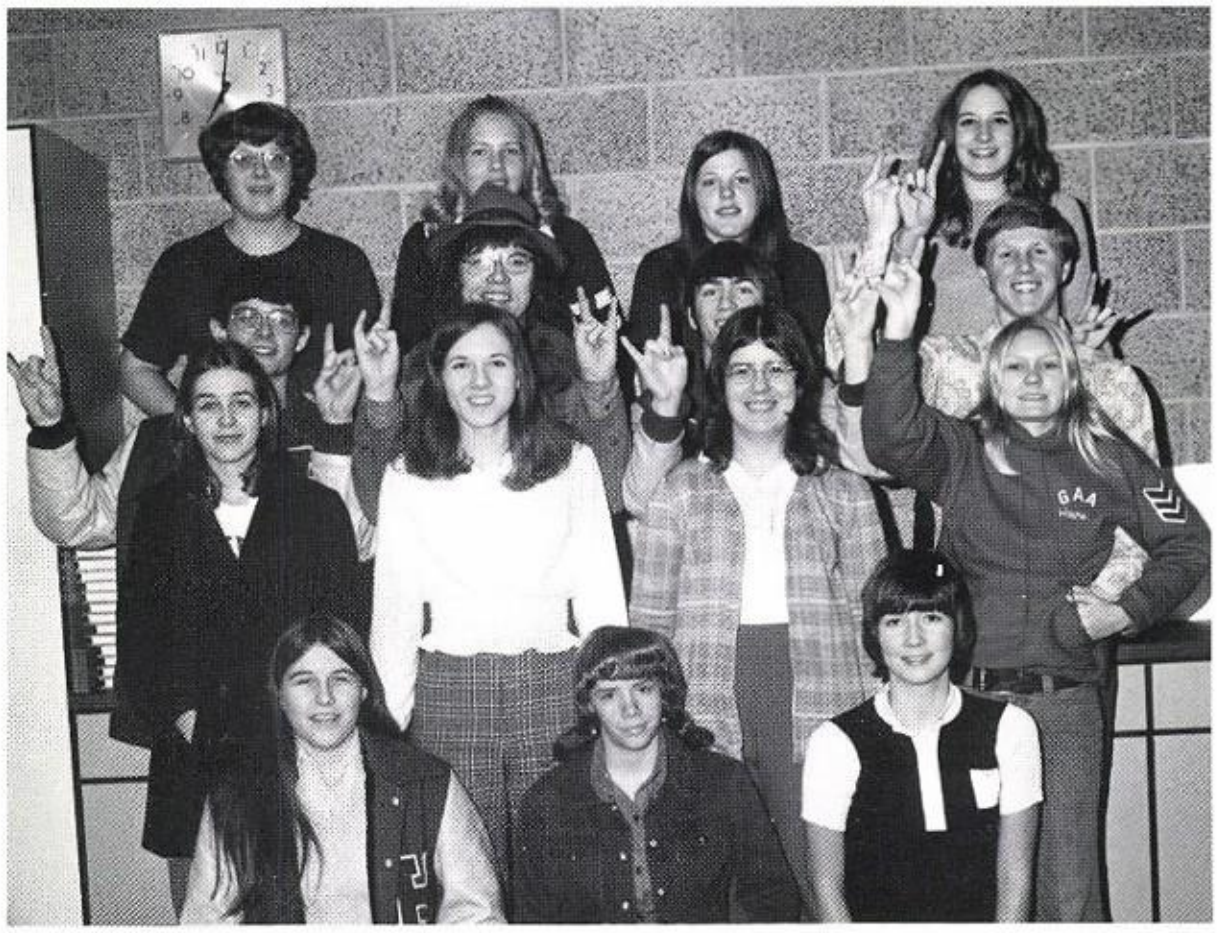


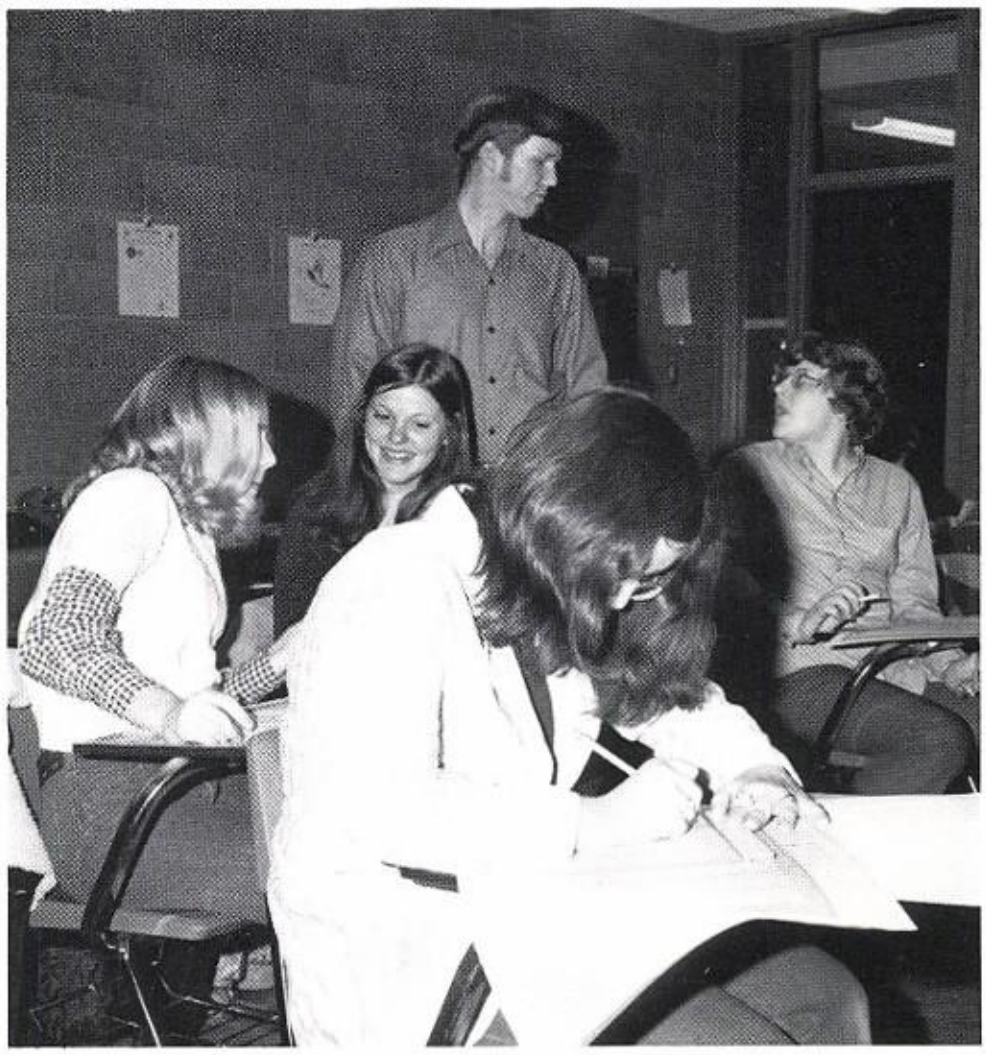


One of the smaller clubs in the high school was the Science Club. The few members planned on taking two fields trips sometime during the year. One was to the Science and Industry Museum and the other was to Cook's Nuclear Power Plant. They worked on Science Fair projects that were judged in the middle of March. Greg Nethery and John Wineland record data and increase their scientific minds.

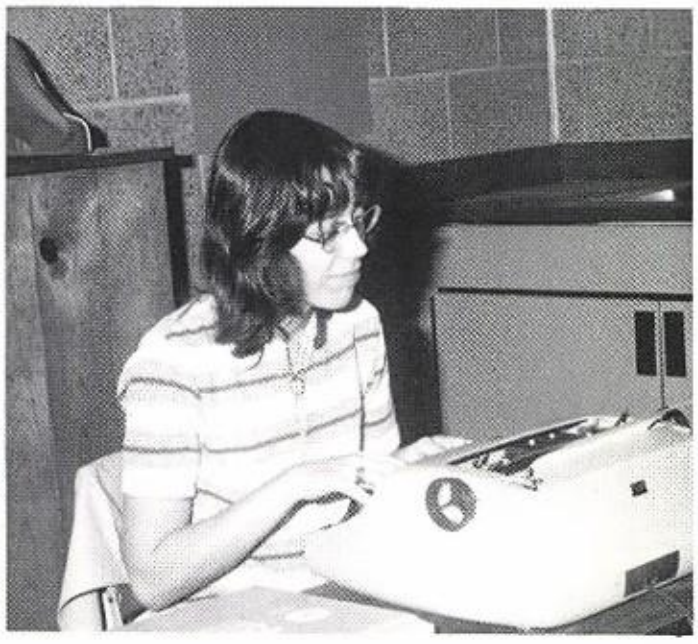
SENECA STAFF

The Seneca staff of 1974 has to be the hardest working organization known. Even though this group gives the Hook 'Em sign, their aching muscles feel the fatigue of drudging through the snow, sleet, or rain to come to their meeting every Monday night. Conversations form while completing rough drafts between Danny Wagner and Cindy Fickle, Kathy Kinne and Shelley Tysen, and Teresa Hessling and herself. Jackie Riggs and Susan Strong, the yearbook's two editors, make final corrections (even though there aren't many!).

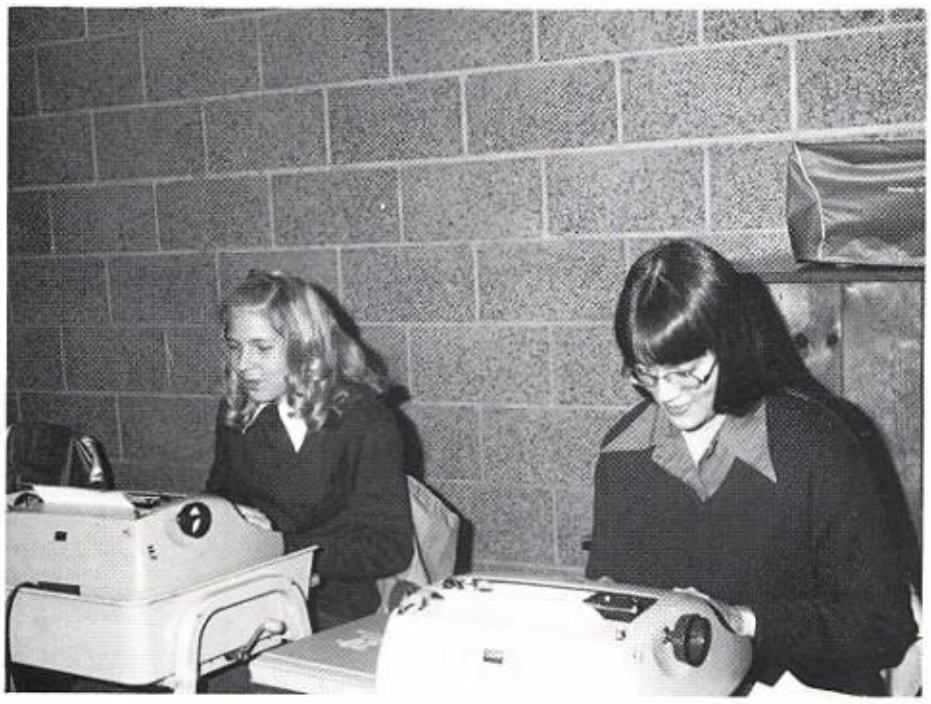




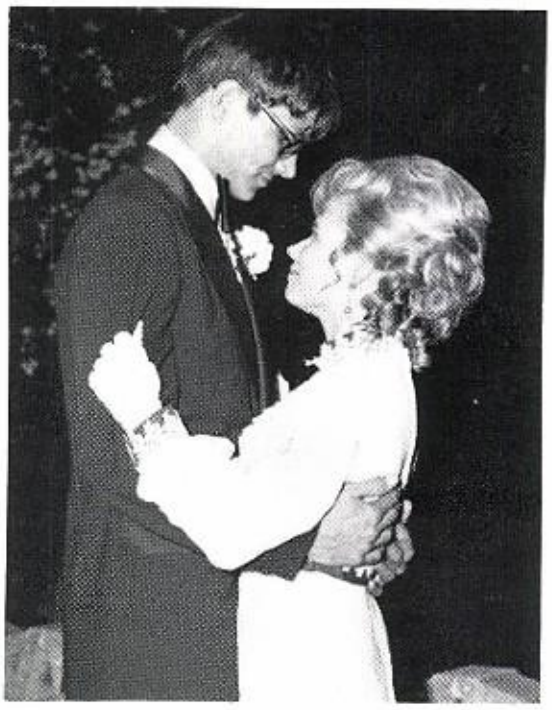
HAWKER STAFF



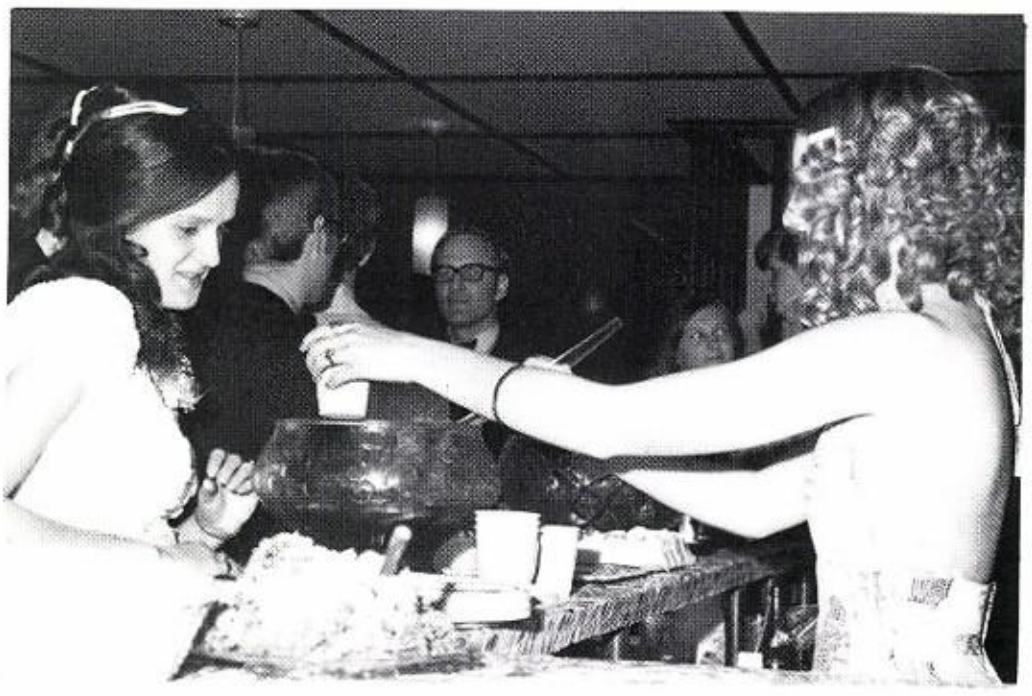
The head of the Hawker staff was again Mrs. Gwin. This staff met after school to try and publish a monthly Hawker. This year they tried to make it more informative than in years past. They also tried to get student's opinions on certain areas. The work is all type . . . type . . . type . . . as shown by Wendy Shipley, Debbie Hargis, and Shelley Tysen diligently working their fingers to the bone.

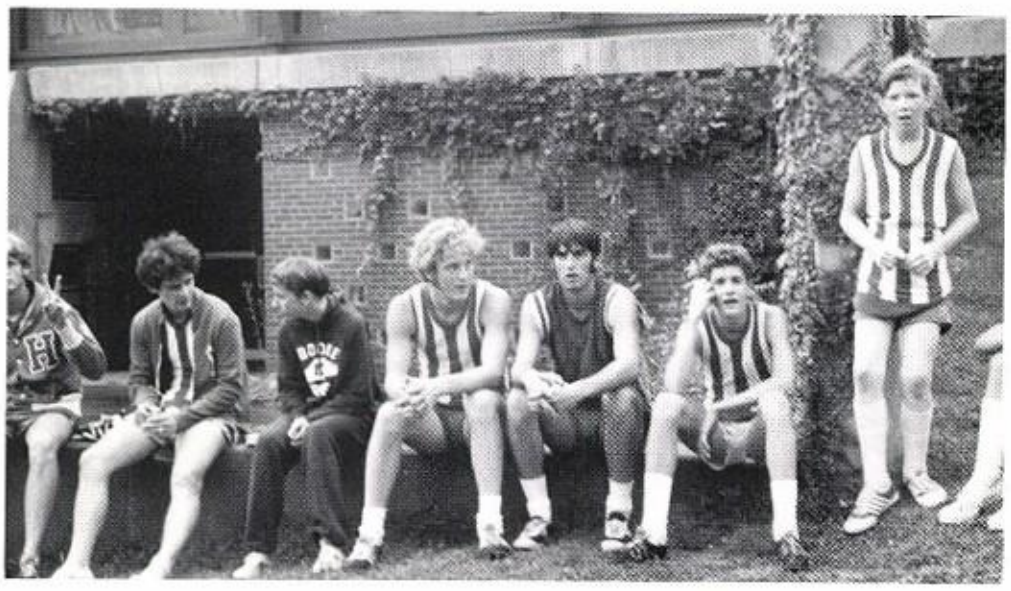


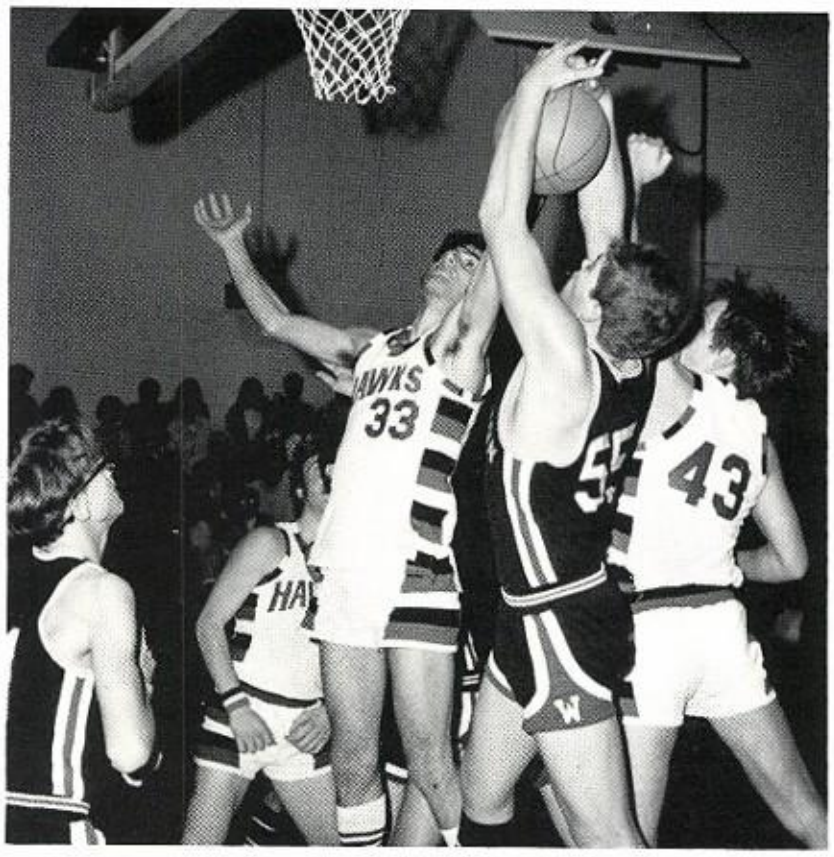
PROM



The 1973 Prom was one to be remembered. It was the first time for a Hebron prom to be held outside the school and away from city limits. The Juniors of then, now Seniors, picked a beautiful location in which to hold their gay celebration. This was at Jonynus Hall which set a wonderful background for the theme, "Bridge over Troubled Waters." Shown here are some of the activities the now departed Seniors shared in. Rolin Elam and Debbie Daunora accepted the title of King and Queen for the evening. Also I'm sure they will remember their great enthusiasm when they listened to Janet Wilson reading the class prophecies. Chris Lintner and Stephan Cervic seem to be enjoying themselves. Susan had the pleasure of crowning the King and Queen. Lori Aylesworth is shown serving Joanie a glass of punch.







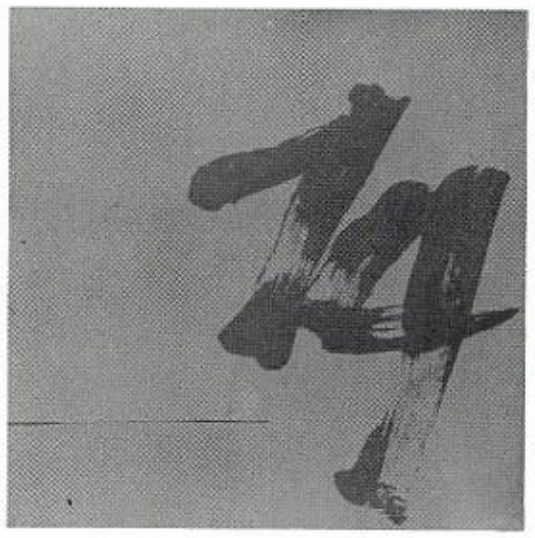
Part of the cross country team is shown resting after a hard run on the V.U.'s running course. Pictured from left are Larry Cooley, giving his victory sign, Brian Bell, conversing with a Boone Grove Wolf, Mark Stokke, Mike Chapman, Chris Barker, and Bobby Witt.

Mark Stokke, Mike Chapman and Rex Werner show off the new white uniforms while battling Washington for the basketball.

While the baseball team gets ready, Coach Lord, Brian Bell, and Coach Matanich watch the other team.

Bobby Thurner pulls at the air to help him get a winning jump.

ATHLETICS



BASEBALL

The Hebron Hawks baseball team won the PCC title for the fourth consecutive year with a 5-1 record. Coach Matanich's squad had only three returning lettermen, but steady play by first-year starters made the Hawks a contender from the beginning. This year's team had many close games, which wasn't traditional by past Hawk teams. The first game of the season found the Hawks scoring four runs in the bottom of the seventh to defeat Boone Grove 7-6. Hebron had no problems the next two games as they defeated Washington 12-2 and Kouts 14-4. The Hawks then ran into trouble as Morgan defeated them 1-0 for the first Hebron loss in their last nineteen PCC games, extending over three years. Hebron then bounced back to knock off Hanover Central 10-9 in a hard fought contest. This victory left Hanover and Hebron in a tie for first. In the last game of the Round Robin, the Hawks knocked off Wheeler 13-11 and finished 5-1 for the year. Due to Hanover's loss to Boone Grove, the Hawks again had won the title. In the tourney, the Hawks again lost to Boone Grove 6-3, but this did not have any effect on the Conference standings.

Senior Dan Wagner led the PCC in hitting for the second consecutive year with a .542 average. He was also the RBI and Home Run leader and compiled a 2-0 pitching record. Sophomore Matt Hren and Senior Jeff Good also had fine years with .500 and .437 batting respectively. Junior first baseman Don Largent hit .421 and Senior catcher Randy Alsmeyer hit .350. Senior Rex Werner had a great defensive year at third base with a 1.000 fielding percentage. Brian Bell played infield with his usual adequacy and Steve Hallberg played a steady left field. Les Serles had a 1-1 pitching record, Mike Chapman was 1-0 with a .500 batting average and Greg Stalbaum was 1-0.

Lead foot (Rex) makes the big move.

Our baseball team attracts all age groups. By the showing of Seniors, Juniors, Sophomores, Freshmen, and little Julie Chapman.

Don Largent adds a ballet step to help him slug the ball.

Brian throws a fast one.

Danny watches as Randy throws to "Puma" Don.

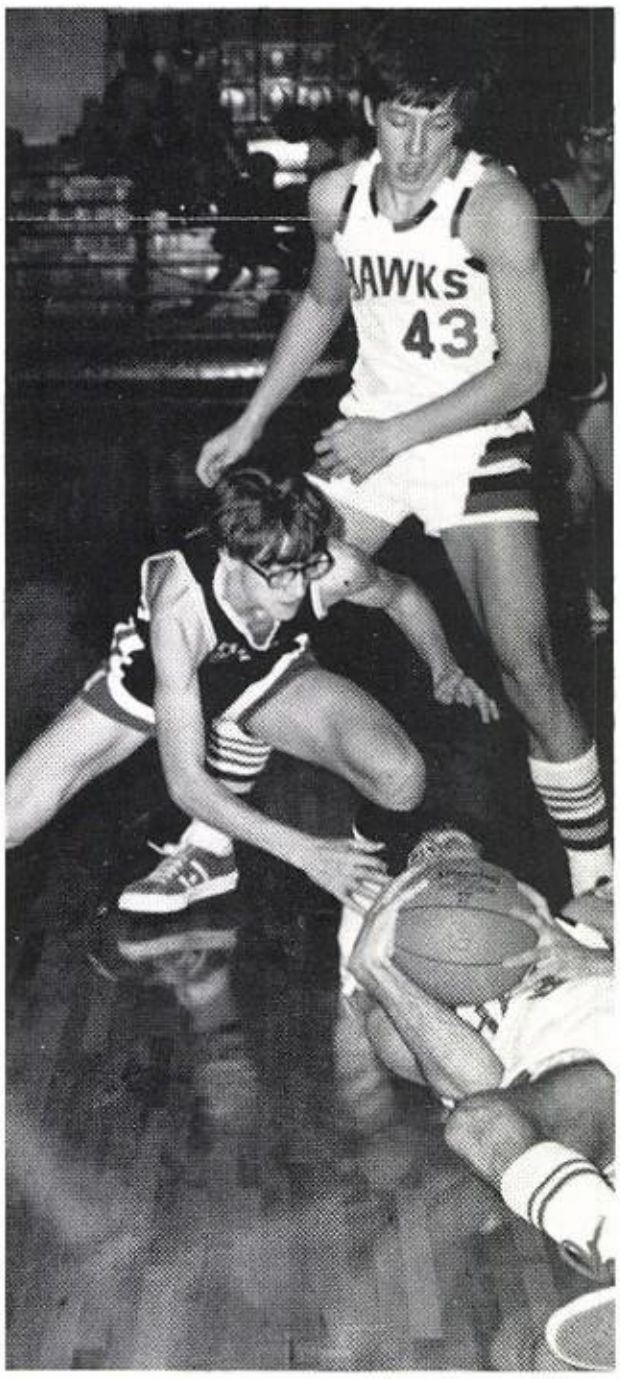
The Varsity Basketball team ended their season this year by defeating East Gary by four big ones. This gave the Hawks a near finished record of 12-7, not counting the sectional games. The Hebron team tied for second place in the conference with Boone Grove, losing to both Morgan and Wheeler during the season. The Hawks tallied another win in the South County Tourney by defeating Kouts by two points in the last few seconds of an overtime. Unfortunately the team could not get up enough steam to overwhelm Morgan in the P.C.C. The Lord was with us all the way when we won the K.V. Sectional for the second straight year.

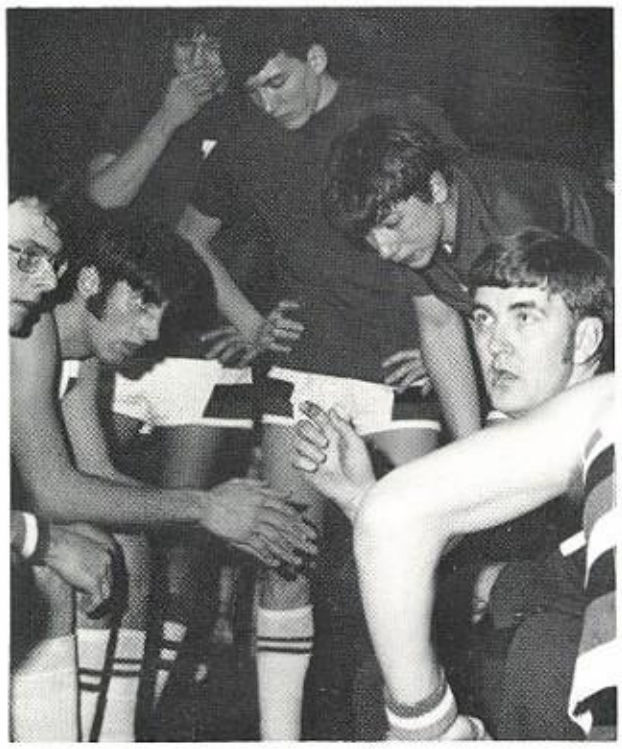
And Mark said, "Let there be light."
Mike hits the rim for two.

The Great Juggler Brian Bell balances the ball.

Aah? "Help, Rex, he's trying to get me."

A look of astonishment sweeps over the faces of the boys, as Coach Lord tells of his secret life.





CROSS COUNTRY

After a slow start the Harriers came on strong to post a 9-3 dual record and win the Round Robin series for the fifth time in six years and the PCC Meet the third time in four years. The leading runner was Tom Steinhilber. Tom placed second in the conference meet and third in the Lake Central Invitational. Joining Tom in the scoring column were Steve Osburn, Brian Bell, Larry Cooley, and Mark Stokke. Tom Schroeder ran well early in the season before developing shin splints. Dick Rust and Bob Pass came out for the team after the baseball season and ran sixth and seventh man in the conference meet. Others participating this season were Dan DeYoung, Chris Barker, Bob Witt, Louis Straw, and Mike Chapman.

Three top runners for Hebron High, Steve, Mark and Larry, model their winning muscles.

One Brian and three Tom's (Rumford, Steinhilber and Schroeder) try and get a running start, with Lowell Red Devils.

Our leading runner, Tom Steinhilber, makes Lowell's men walk to the finish line.

Brian runs them clear-out-of the picture.

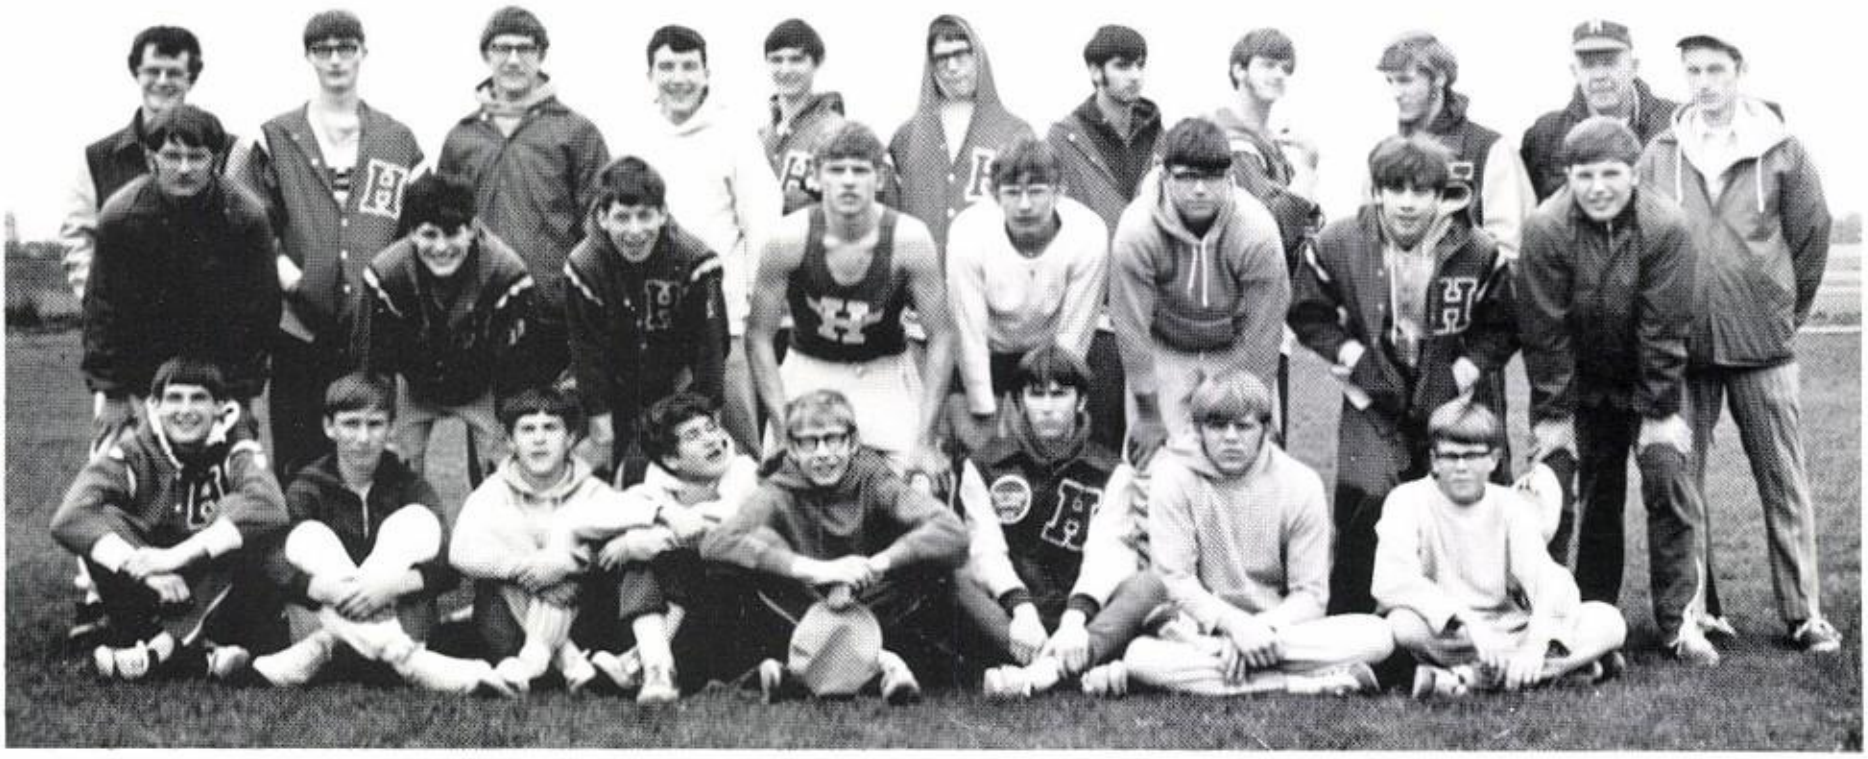
TRACK



The Hebron track team did an all out good job this year and won six of their annual meets and two meets involving more than one other team. The Hebron relays drew a large crowd as usual, because the Hawks had many boys with fine individual performances. Brian Bell received a trophy for scoring the most points throughout the season. He also went to the sectional for pole vaulting. Larry Cooley and Dick Rust went for their high jumping ability. To mention some other of our great deeds, we again won the Porter County Track Meet and Round Robin. Also we helped to win the Bi-County Meet, because Oregon Davis didn't come until the last race. In it we had a no. of 1st places. Chapman in low hurdles, Cooley in high jump, Bell in pole vault, and Hebron relay team in the mile relay.

Steve works hard to help the team get a placement.

Mark makes a tremendous jump into the sand pile, hoping to outdo the next guy.

Brian makes a leaping bound to get ahead.

Coming down close to the line is Larry, cheered on by his fans.

The J.V. started with a slow and inexperienced trot, but showed a strong spirit and they rapidly improved throughout the year. They finished with a fine record of 13-6, exhibiting a fine potential for oncoming varsity athletes. The younger Hawk team lost to Morgan in the 1st game of their tourney, played in our new gym, but they didn't lose their enthusiasm and went on to defeat other teams. Herb tries for two while Matt and Phil put on their breaks.

The Hebron Freshman, under the mentoring of coach Dave Walker, suffered through a 3-9 season. The young Hawks stood 2-2 after four games and appeared to be on their winning ways. But five straight losses ended the coaches dream of a winning season. Wes Stokke lead the freshmen in scoring. With the experience gained in these games, the J. V. of next year should be a very good one.

This year's Junior High squads had some trouble winning games. The "B" team was unable to win any games and this was due to lack of size. Coach Schroeder's "A" team had the talent, but still came up 1 game short of an even record. As of this writing, the young Hawks were to participate in the Junior High County Tourney. With some breaks and good hustle, their chances of winning looked very good.

4 Guideposts for Happier Living From First Federal

1

BE CONSIDERATE
Develop a sincere interest in people, their lives and their problems. Be understanding, and never build personal success at the expense of others.

2

HELP THOSE IN NEED
You will find few experiences so rewarding in life as the times you give a helping hand to folks in need.

3

CONTINUE TO LEARN
Stay mentally active, intellectually curious, receptive to new ideas. Education is a wondrous process continuing throughout life.

4

CULTIVATE THRIFT
Save regularly from the start. Thrift gives you an important extra margin for progress . . . for security . . . for success.
